- We do invited quality SEM affiliates for campaign we got tremendous results. Once they started to promote Gogamegeek affiliate campaign.

Challenge

On 20th November 2021, when the client updated new domain, we encountered numerous challenges. Due to our affiliates being accustomed to promoting our old domain name, we lost many of our old affiliate connections. It took some time for them to adjust to the new brand and begin promoting it.

Results

After new domain name was updated then within next few months the affiliate program campaign started delivering more conversions thereby improving performance by every week/month. This is what helps us to upgrade our affiliate marketing channel to next level.
